**ACTION!** . . . If you should find yourself in front of a camera suddenly within the next few weeks it is because the Chamber of Commerce is having the story of Torrance filmed. Producer Will Zens and script writer Jim Barnes went around shooting councilmen, policemen, and firemen this past week.

**USO ASKS FOR GIFTS FOR GI'S**

"Will your boy be home for Christmas?" That's a question that Richard Russell, president of the Los Angeles area USO, asks. And, then he points out that more than 3,000,000 American boys and girls will not. They're the boys and girls in America's armed services. And, thousands of them will spend Christmas in Los Angeles. "And," Russell said, "for most of them it will be their first Christmas away from home . . . the loneliest day of their lives. The citizens of Los Angeles can't give those boys back their homes for Christmas, but they can give them a lift with a gift." That's the Los Angeles USO's goal this year: A Christmas gift for every serviceman who enters a USO Center on December 25. "Every citizen of Los Angeles can help," she declared, by buying a gift, wrapping it in Christmas paper and taking it to the most convenient USO center or to any YWCA.

**Schedule Set For 'Y'**

The Torrance area YMCA announced their Christmas vacation program for boys today. Each Monday and Wednesday of the vacation period, a four of trip has been planned, followed by a swim in the San Pedro YMCA pool in the afternoon. Each Tuesday, an all-day snow trip has been planned to Mt. Waterman. Special game tournaments are scheduled for other days that are not regular holidays. Boys 8 1/2 to 14 years of age are eligible for this program. Reservations will be necessary so that the YMCA staff can arrange for enough transportation and supervision for each day's schedule.
